- ☑ Leverage relationships with industry technology leaders.

### The Highest Quality Instructor Resources — Every Technology or Business Skill

When it comes to staffing for your institution's corporate training and development programs, workforce re-training programs, and in-service training needs, nobody beats TTA! Quickly and easily expand your offerings to include every vendor technology and professional business skill — over 11,000 standard, custom, and proprietary courses available. TTA's vast bench of instructor resources are experts in their fields, fully vetted and guaranteed. With so many courses to choose from, and the added convenience of one stop shopping for courseware, you can always offer what the market demands — without having to staff for it!

## Opportunities for Higher Education

As corporations continue to downsize due to economic turmoil, leaving millions of displaced workers in their wake, the need for workforce re-training programs is greater than ever. The Federal Government recognizes the tremendous advantages community colleges offer due to their geographical proximity to would-be students, as well as their cost effectiveness. Over the next 10 years, the government is expected to invest \$12 billion in community colleges. Are you prepared to take advantage of these opportunities?

As a **Microsoft Gold Learning Solutions Partner**, we offer you the ability to conduct Official Microsoft classes right at your school. Here are a few new to market products that will require millions of people to be trained:

- ☑ Windows 7
- ☑ Exchange Server 2010
- ☑ Windows Server 2008 –R2
- ☑ Microsoft Office 2010
